TAKE PART IN THE ENTERTAINMENT TOOL CONTEST

CONGRATULATIONS FOR YOUR INITIATIVE ! THE OXFAM-QUÉBEC TEAM IS THERE TO SUPPORT YOU !

Express your solidarity through **CREATIVE AND ECO-FRIENDLY IDEAS !**

GIANT PUPPETS, BANNERS, COSTUMES... It's up to you to show your creativity and design a **flamboyant** #WorldWalk!

A FEW KEY ELEMENTS TO REMEMBER:

1. Create your tool bearing the **theme “The Power of Diversity”**
Attention! If you participate as a **Magasin du Monde**, your tool must have a **fair trade theme**.
2. **Present your creation** at the **Entertainment Tool Contest kiosk as soon as you arrive at the start** on the day of the Walk. You will be given an identification number. **MANDATORY**

PLAN TRANSPORTATION FOR YOUR ENTERTAINMENT TOOL !

For safety measures, **you will not be authorized** to use the back doors of the bus to pull out your entertainment tool in the parking zone.

STAND OUT TO WIN !

- Use as **many recyclables as you can**.
- **Work in teams !** A group can present more than one entertainment tool.
- The entertainment tool **must not slow down the procession**: strength, weather resistance and lightness are criteria to consider. You will have to carry your tool for **5 kilometres !**
- If you make a banner, do not forget to **pierce holes** for the wind to pass through.
